Introducing Fasco's New Ultra High Efficiency ECM Air Circulator Fan Heads

Fasco is proud to introduce the latest way to keep workers cool in the most demanding of environments, that also saves energy and dollars: our new Industrial Assembled Ultra High Efficiency ECM Air Circulator Fan Heads!

Available in both 30" and 24" models, these Air Circulator Fan Heads feature high efficiency, totally enclosed ECM motors, as well as high efficiency, corrosion resistant aluminum fan blades. The fan heads are delivered pre-assembled, ready to secure to a mounting accessory (not included) with two screws (included). The fan heads also have OSHA compliant chrome plated wire fan guards, a locking tilt adjustment to direct air where needed, a pull chain for easy operation, and are UL and C-UL listed.

Other features and benefits include:

- 30" models use just 78 watts to move 5700 cfm
- 24" models use just 60 watts to move 3300 cfm
- Flows up to 9700 cfm
- 115v models come with a 10-foot, 23-cond power cord with grounded molded plug
- 208-230v models have a conduit box for hard wiring
- 120°F Ambient Rated
- Ball Bearings

Congratulations to the Latest Gift Card Recipients in the New Fasco Rewards Program

Congratulations to the following Fasco Rewards Program participants who will receive \$100, \$75 or \$50 gift cards from our December test drawing! Take the Fasco Rewards Test this month, and your name may be listed in the next issue!

- Marcia Allen
- David Autry
- Dale Barbour
- Michelle Benedetti
- Steve Bliss
- Gerald Dargel
- Trent Dowling
- Jim Dunn
- Craig Gaebler
- Beverly Gehring
- Regina Ginez
- Carlos Gutierrez
- Greg Hairell
- Darci Hale
- Joe Hiner
- Howard Hinze
- Mark Micke
- Craig Schmidt
- Terry Smith
- Joanne Zednik

PLEASE NOTE:
All gift cards need to be used within 12 months.

Answers to December 2011 Fasco Rewards Test

1. D – All of the above
2. A – True
3. C – 3 times / 45% more
4. D – All of the above
5. B – 40%
6. D – All of the above
7. C – 4-5
8. B – 10% to 30%
9. C – 1/5 and 1/3 HP
10. B – False

The Life-Line™ Capacitor Kit: The Easy Way to Cover All Your Capacitor Needs!

What's the easiest way to stay on top of all your customers' capacitor needs this spring, summer and all-year long? The Life-Line Capacitor Kit.

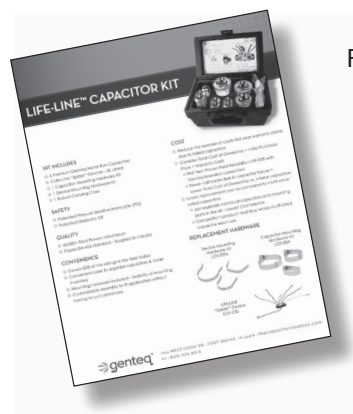

This kit was designed to be an all-in-one replacement resource for single and dual run capacitors. In addition to many single capacitor ratings, the Life-Line Capacitor Kit has been designed to cover 48 of the most common dual ratings in both 370VAC and 440VAC applications. It also helps save your customers time and money by giving them everything they need to select, wire and mount replacement capacitors. In fact, it **covers 85% of the ratings in the field today**, all in one convenient kit that organizes and lowers inventory!

The Life-Line Capacitor Kit includes...

- 6 Genteq™ or Proline™ Motor Run Capacitors
- 2 Life-Line UL listed "Spider" Devices
- 1 Capacitor Mounting Hardware Kit
- 1 Device Mounting Hardware Kit
- 1 Heavy Duty Carrying Case

The Life-Line Capacitor Kit
LCKG – Genteq Capacitors Included
LCKP – Proline Capacitors Included

Fasco also has a **new cutsheet available** on the Life-Line Capacitor Kit that's yours free for the asking. Just contact our Customer Service Department at 1-800-325-8313 to request your copies today, or to order your Life-Line Capacitor Kits.
